

Scotch-Brite™

Ref 86

Green Commercial Care Scouring Pad for heavy duty cleaning

Technical Data

TD 202

Date : November 98
Supersedes : October 95
Author : PL

Description :

The product is a thin green heavy duty cleaning and scouring hand pad, made of high quality synthetic fiber forming a strong open textured non-woven web, having abrasive scouring particles dispersed throughout and bonded to the web with a durable resin.

Product Advantages :

- Excellent scouring performances, can remove baked food.
- Conformable, allows to reach awkward places, corners...
- Doesn't keep or release harmful ingredients.
- Can work in hot water and usual cleaning chemicals (shall not be significantly affected by hydrocarbon solvents).
- Long lasting.
- Dimensions to fit with handles.

Where and When to Use :

The product is used for scouring cookware pots and pans, for cleaning broilers and most equipment in the kitchen. It is also used for a variety of hand cleaning or scrubbing jobs in the industry. Can replace scrap-

ers, steelwool and metal sponges.

The Scotch-Brite™ Ref. 86 hand pad is an aggressive pad and should be used on surfaces not damaged by scratching.

Maintenance :

- Rinse the pad after each use under tap water.
- If needed, remove deep embedded soil by brushing the pad with a nylon brush, or soak in a cleaning solution to dissolve cooked-on soil.
